By signing this contract, I agree to promote this event to the best of my ability and advise my guests that advanced reservations for laser tag (preferably at least 24 hours before the event) are strongly recommended. Advanced reservations will make the sign-in process easier for your guests and will help LaserCraze to properly staff the event to ensure the best event possible. You may call us a week prior to the event to see how many reservations we have as an indication of how much money you may raise.

How our Fundraiser works:

- Sponsor a 3-hour time frame to host your event. Fundraisers are held on select Tuesdays, Wednesdays and Thursdays, excluding school vacations and holidays
- Please ask attendees to make reservations in advance. Reservations allow us to properly credit your organization and to appropriately staff the event so that we may provide great service.
- We will create a master flyer invitation and email it to you. Print and hand out as many flyers as possible to family, friends, co-workers, etc. Talk it up! This is a great opportunity to raise money for your organization and treat yourself to a good time – the more you promote the event the more your organization will benefit.

Suggestions on how to make your Fundraiser a success:

- Announce the fundraiser at your group's next meeting and hand out the flyers.
- Hand out the flyers to the students before or after school.
- Insert a copy of your flyer into your group's newsletter.
- Post an eye-catching sign on your bulletin board with flyers nearby.
- Invite a special guest to be the greeter the night of your event.
- Send an email reminder 48 hours before your event.
